FIRE EVACUEES OFFERED FREE WORKSPACE AT COTTAGE GROVE'S BANK BUILDING

Located just 20 minutes from the Eugene-Springfield area, the Bank Building in downtown Cottage Grove is currently offering free office workspace for those recently evacuated from their homes or have lost power as a result of Oregon's unprecedented wildfires.

During this crisis, the Bank Building Offices – located at 609 E. Main Street in downtown Cottage Grove – is offering free, open workspace that includes free Internet, Wi-Fi, scanning, faxing, coffee, tea, and hot water. Free workspace is limited and available on a first-come, first-serve basis.

Constructed in 1904, the newly renovated Bank Building Offices opened July 1. The building was recently transformed into a downtown treasure and business hub for Cottage Grove. It features apartments upstairs and shared office space downstairs, in addition to Bartolotti's Pizza & Pasta, Edward Jones, and Juanita's Latina Store.
